Hi Shika,

Attached is the WESTAR funding letter from Mary Uhl, Executive Director. Page 2 of the letter shows the state contributions that were unanimously-approved to support WESTAR operations. For California, the contribution amount is \$86,216. Any additional funding for travel and/or regional haze would be optional.

I intend to award the grant soon, but can wait until next Friday if you need more time to get the information. I am also asking for confirmation from New Mexico (not Texas) by next Friday.

I hope this helps.

Thanks!

- Angie

Subject: Urgent Request - FY18 WESTAR Contribution(s)

Hi Mary,

As mentioned in my voice message, this email provides additional background information for the WESTAR grant. Each member state is asked to confirm contributions for dues, ad hoc travel, and any funding towards the Regional Haze project that your Agency may or may not be talking about with Mary Uhl, WESTAR's Executive Director. Will you please respond to the questions below ASAP.

- 1) Please confirm if you concur with ARB's WESTAR dues amount of \$86,216.
- 2) Does ARB want CAA 105 funds taken off the top and provided to WESTAR for travel, and if so how much?
- 3) Does ARB intend to contribute to the Regional Haze special project? If so, what amount?

If ARB concurs with the dues amount of \$86,216 for the extra operating funds and any other contributions (ARB did not provide funding for the travel or Regional Haze in FY17), please let me know if it is ok to take the funding from your upcoming partial FY19 grant. Your partial FY19 grant will be awarded by September 30, 2018.

Your final FY18 grant is being processed now and should be awarded very soon, but I can stop the award if you prefer I take the \$86,216 from your FY18 award.

Please call me if you have any questions.

Thanks!

- Angie
